

BRMO Power BI Reporting

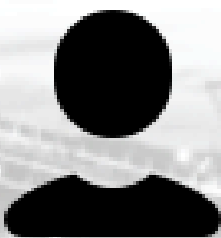

BEV Weekly Dashboard

Purpose	Based on the power point weekly BEV report, this report contains data from Mobilaris and the Cirteq database (alarms). Details on availability, utilisation and machine warnings are provided.
Update Frequency	Daily
Owners/Clients	Gregory Karsten, Gerhard van der Berg
Workspace	Underground Operations
Data Sources	Data Model - Underground Assets
Message	Prod Day is defined as follows: if the day has a mining production target then it is a production day.
